Processing methods. Your personal data may be processed in the following ways:

- By means of electronic calculators with the use of software systems managed by third parties;
- Temporary processing in anonymous Form.

Each treatment takes place in compliance with the procedures referred to in Articles. 6, 32 of the GDPR and through the adoption of the appropriate security measures provided.

Your data will be processed only by personnel expressly authorized by the Data Controller and, in particular, by the following categories of employees:

- Programmers and analysts.

Communication: Your data may be communicated to external parties for a correct management of the relationship and in particular to the following categories of Recipients including all duly appointed Data Processors:

- Google Analytics: Advertising Target, Analytics/Masurement, Optimization.

Dissemination: Your personal data will not be disclosed in any way.

Your personal data will may also be transferred, limited to the purposes indicated above, in the following states:

- EU;
- United.

Retention Period. We point out that, in compliance with the principles of lawfulness, purpose limitation and data minimization, pursuant to art. 5 of the GDPR, the retention period of your personal data is:

- established for a period of time not exceeding the performance of the services provided.

Management of cookies: in case you have doubts or concerns about the use of cookies, you can always intervene to prevent them setting and reading, for example by changing the privacy settings within your browser in order to block certain types.

Since each browser - and often different versions of the same browser - also differ significantly from each other if you prefer to act independently through the preferences of your browser you can find detailed information on the necessary procedure in the guide of your browser. For an overview of the modes of action for the most common browsers, you can visit the address [www.cookiepedia.co.uk](http://www.cookiepedia.co.uk).

Advertising companies also allow you to opt out of receiving targeted ads if you wish. This does not prevent the setting of cookies, but stops the use and collection of certain data by these companies.
